Hi Joan,

My name is Lily O'Connor and I'm writing to let your members know that I have just published my second book, 'Dreams of Hope'.

My first was titled: Can Lily O' Shea Come out to Play?

This book 'Dreams of Hope' is all about leaving Dublin in the 50s for work in UK. Then in 1971, coming out to Australia with 5 kids.

I would be delighted if you could put it in your newsletter. It can be purchased in Dymocks.

Can be seen on line too.

Feel free to contact me.

All the best,

Cheers, Lily
